

Benefits

- ✓ Discounts on classes
- ✓ Eligibility to obtain access to the building and equipment anytime there isn't a class or rental
- ✓ Ability to rent crate space
- ✓ Early enrollment opportunities for seminars
- ✓ Credit for accumulated volunteer hours that can reduce the costs of classes, the building use fee, and crate space rentals

Support the Building

ACT is a not-for-profit organization that hosts the largest dog training space in Anchorage. We are proud to provide a training facility that is welcoming and safe, promotes the training and responsible ownership of dogs, and conducts classes for the training of dogs and handlers.

High building expenses makes it difficult to pay for all bills from class revenue alone, and supporting the club with your time and money is essential to keep the building open for use by the Anchorage dog community.

Membership Application

The one-page member application is available on the ACT website. Send your completed application to Alyeskak9@gmail.com.

Your application will be read at the monthly meetings that you attend. At your third meeting, the members present will vote on whether to accept you into the club.

**“We Teach You
How to Train
Your Dog”**

About Us

Alyeska Canine Trainers (ACT) is an all-volunteer, non-profit organization started in 1986 by a volunteer group of dedicated dog enthusiasts.

We use positive training methods to teach you to train your canine companion to be a good family pet as well as a competitor in various sports.

ACT has the largest indoor classroom training facility in Southcentral Alaska and instructors with many years of experience in training and competitions.

The ACT club supports a collaborative environment for members and their activities.

Diverse Training Opportunities

ACT is committed to providing a high-quality environment for members and others to train their dogs. In addition to obedience, rally, and agility, we have offered classes in tricks, scent work, parkour, and flyball.

Responsibilities

Meetings

General Membership meetings are held on the fourth Monday of each month at 7:30 pm. Usually July and December meetings are skipped. Members are required to attend four meetings a year to be eligible to vote on motions at meetings.

Fees

All members must pay the annual dues in May to remain a member and retain benefits. The six-month building use fee is optional and enables a member to train in the building outside of times when it is scheduled for classes and rentals.

Volunteer

Because we are run entirely by volunteers, ACT encourages all members to become involved. You can choose to support ACT in a wide variety of ways. Examples include teaching or assisting with classes, cleaning the building, helping at a demo event or fun match, participating in a fundraising activity and serving on a board or committee.

It takes a lot of volunteer work to keep ACT running and we appreciate all the help we can get!

Cost

Annual Member Dues:

\$100 for an individual
\$150 for a family of two
until May 1, 2024
(Effective May 1, 2024, decreases to \$50 individual, \$75 family of two)

6-Month Building Use Fee:

\$100, optional
Due Feb. 1 and Aug. 1
(Effective Jan. 1, 2024,
\$150 individual, \$225 family of two)

Initiation Fee: \$50

\$50; pay one time when you become a member

If you join in a month other than May, annual dues and building access fee are pro-rated on a monthly basis until the next May.

Member Discounts

Members who volunteer the following number of hours in 6 months, receive these discounts:

- ✓ 91-120 hours, 80% off the building use fee and classes, plus free crate space
- ✓ 61-90 hours, 70% off the building use fee and classes
- ✓ 31-60 hours, 50% off the building use fee and classes
