Barb will go through many exercises and games that she uses to build a solid foundation for competing in agility. Each exercise will be demonstrated and explanations given about why they are being done and how to do them. 30 handler/dog teams will come on the floor for a few minutes each to try each exercise. Normal floor time per participant will be 2 to 5 minutes. It is not intended that mastery of the exercise be achieved but rather that the participants achieve clarity of understanding of how to use it with their own dog for future training. It is expected that the level of training of the participant's dogs will vary greatly and their ability in each exercise will also vary. Most of the exercises are suitable for puppies as well as adults but a few would not be done with young puppies.

Please bring a comfortable chair. Auditors please leave dogs at home. No audio or videotaping allowed. Please bring something to take notes if you'd like.

Barb Davis is a 5 time World Team Member with both Shimmer and Fast-Aspen in 2000 and with Shimmer in 2001, 2002, 2003 & 2004. She twice has won the USDAA Grand Prix National Championships. In 1999 with Shimmer and 2002 with P.J., and placed 2nd at AKC Nats with P.J. in 2001 and with Shimmer in 2003 & 2004.

Her young border collie, Zesty, also has her MACH and is the 2003 Northwest Cup Winner, and in 2004 won a Grand Prix Regional Championship, and placed 3rd at the USDAA World Championships and 3rd in Steeplechase Finals.

Barb's keen eye, quick wit, and many years as a college professor, combine to make her an excellent seminar presenter. If you have not had a chance to see Barb, don't miss out on this unique opportunity to do so.
